

SPRINT ADVENTURETHON - PADDLE

Stage 4
3.5 km

DATE: 15TH April 2018

LOCATION: Anglesea Riverbank

BRIEFING: 6:50 am

START TIME: 7:20 am

FINISH: 9:00 am

River paddle looped course. The first half of the paddle is shallow with some sections deeper than others. There are two bridges paddlers will need to go under so take into consideration height and come up with a strategy. Need to be aggressive when turning, as there isn't much room.

Be Aware of Craft loading and unloading areas
