Events 2021

Adventurethon Stage Racing returns to Clarence Valley. Adventurethon Stage races incorporate 3 stand-alone events over three days to provide competitors, their friends and families, with some breath-taking experiences both on and off course in a family friendly and positive atmosphere. Our stage race format provides the opportunity to participate in one, two, or all three discipline/s, or to form teams and have fun with your mates.

For the fun-loving adventurer:

Juniors, and beginners to these awesome off-road sports, we have you covered. You can challenge yourself on shorter and technically easier courses by undertaking either the Junior or adult Taste option. Select from a single stage race, e.g. trail run, or combine 2 or 3 events to suit your personal challenges.

For the off-road specialist:

Those athletes that specialise in just one or two disciplines can opt to undertake just one or two stages of the event. As this event is divided into discrete stages we welcome you to come and enjoy your favourite event/s and take home one of the truly magnificent medallions to add to your collections of bling.

Invite your friends and get social:

Why not make it easier on yourself? Gather your friends to take on the stage/s that you don't want to attempt; that's what friends are for isn't it? Encourage teamwork and designate roles by forming a team to tackle an Adventurethon distance of your choice across all three stages. Alternately why not challenge a friend to compete alongside you and compete as a pair; remember a challenged shared can be more enjoyable than one tackled solo.

The ultimate Adventurer:

If you are an ultimate adventurer then **demolishing all three stages** for the associated bragging rights is definitely the option for you! To confirm you are an ultimate adventurer you need to complete ALL 3 stages (paddle, mountain bike, trail run). You can rest in between each stage providing time to recover and strategise. There are two Demolish distances to choose from: Ultra (long) and Enduro (medium) in each stage.

Saturday 27 th March			Saturday 27 th March			Sunday 28 th March		
Trail Run			MTB			Paddle		
Ultra	18 km		Ultra	40 km		Ultra	20 km	
Enduro	11 km		Enduro	20 km		Enduro	9 km	
Taste/Junior	6 km		Taste/Junior	10 km		Taste/Junior	2 km	

Distances are a guide only and may be subject to change dependent on course conditions. Courses will be kept as close as possible to published maps however Adventurethon organisers reserve the right to alter courses to ensure the safety of all competitors should the need arise.

Locations 2021

Adventurethon is conducting this multi stage event over two days and in three locations to ensure we provide you with the best possible experience in off-road sport and adventure. On the morning of Saturday 27th March Adventurethon Stage 1, the Trail run, will start your fabulous weekend of adventure. On Saturday afternoon Stage 2, the MTB XC, will continue your scenic journey around the spectacular Clarence Gorge and alongside the river. The final stage, the Clarence River Rush, will be held on Sunday morning (28th March) where you will through some awesome and unique scenery and possibly some adrenalin inducing rapids and gravel races.

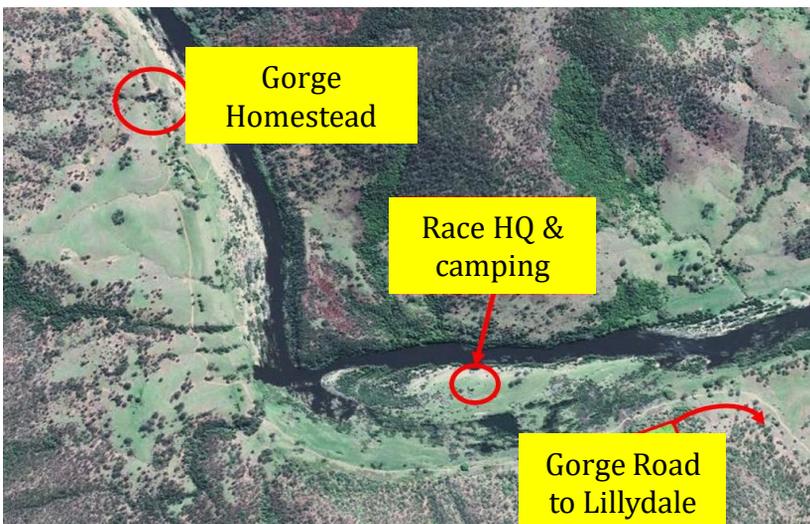

Race HQ

Separate headquarters will be set up for each of the races. This is where everything you need to know will be located including race pack pickup over the weekend and competitor check in.

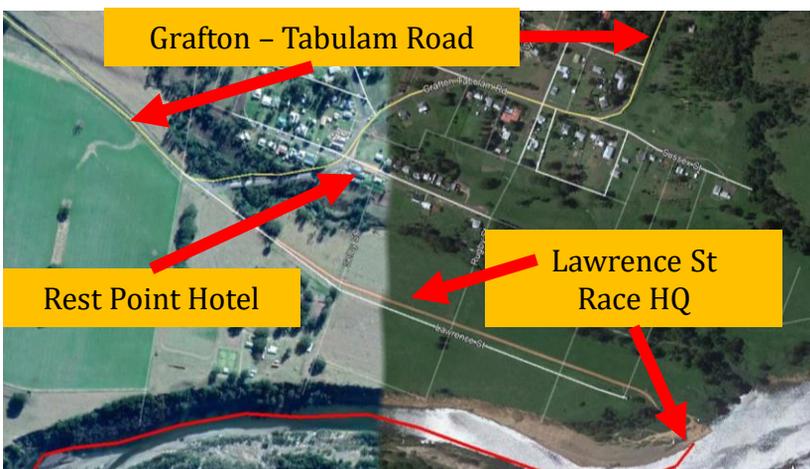

Friday 26th March: 5:30 – 9:00 pm @ The Gorge

Saturday 27th March: 6:30 am – 7:00 pm @ The Gorge.

Sunday 28th March: 6:00 – 12:00 pm @ Copmanhurst.

To get to the Adventure Run and MTB HQ at the Gorge head north west from Grafton to Copmanhurst, then on to Lillydale, across Lillydale Bridge and on to Gorge Rd. Continue along Gorge Rd and you will arrive at the Gorge camping area where we will be waiting for you.

The paddle HQ is at the end of Lawrence St Copmanhurst, on the river flats behind the Rest Point Hotel

Race Pack Pickup

Race packs contain your race number, timing chip etc., and can be collected from 5:30 pm, Friday 26th March at the **Gorge Race HQ**. Join us there for a **chat, catch up with friends** and of course to **eavesdrop on competitors race plans**. If you have any **questions**, Friday evening will be the best time to ask and an opportunity to familiarise yourself with course maps.

Athletes who have collected their race packs are still **required to check in** immediately prior to each stage they attempt. There will be **MANDATORY race briefings for competitors before each race**.

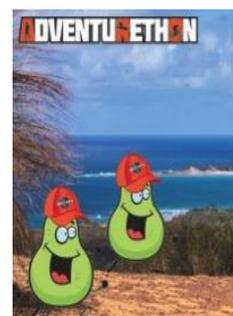

If you can't attend on Friday evening you must collect your race pack **at least 30 mins prior to race briefings** at race headquarters for each of the stages. Maps will be displayed, and the event director will be available to answer questions.

NOTE: You must **attend in person** to collect your race pack and pre-ordered shirts and **sign indemnity forms**. Pre-order shirts during registration.

There are **no registrations on race day**. Those who want to compete must **register online before Thursday the 25th March**. This is to ensure all correct paper work is completed and filed.

Teams & Pairs

Each competitor in a team will have the same race number and this number will be passed between team members for their individual events. Teams don't have to pick up their race packs together. **However, each team member will have to sign an indemnity form**. To compete as a pair you must remain together

Race Bibs

Each competitor is required to wear his or her race number at all times during the event. Each team/pair will be provided with a single number which must be worn by one member at all times (they can be picked up individually or all together, **BUT ALL TEAM/PAIR MEMBERS MUST SIGN AN INDEMNITY FORM**)

Weekend Schedule

You can download the complete weekend schedule [HERE](#)

Race Withdrawals

If you withdraw from your race for any reason, please ensure that you inform the timing tent (near the finish line) as soon as possible. If you do not inform us that you have pulled out of the race we cannot remove volunteers from the course until you are accounted for and will have to deploy emergency services at your cost.

Outside Support

This race is a self-supported race, therefore it is required that you carry your own water and nutrition etc. Competitors receiving outside support (this includes their own drops of water/nutrition out on course prior to the race) from anyone other than race officials will incur a penalty resulting in them being unable to place 1st, 2nd or 3rd in their nominated category. This excludes mechanical, first aid support, or your nominated helper (with wristband) in dedicated aid areas to restock your drink/food.

First Aid

First Aid will be available at Race HQ. Course marshals will also have First Aid kits. Ultra, Enduro and Taste/Junior competitors are required to carry with them a minimum of **2 x compression bandages** on the ride and run courses. Bandages can be purchased at Race HQ. (please bring cash for purchases). **Download mandatory gear lists [HERE](#)**.

It is also recommended that competitors carry their mobile phone where possible with the emergency number **0447 496 489** programmed in (run has limited mobile signal but SMS is possible in many key areas).

Medical Conditions

If you have a medical condition it is **your responsibility** to reduce any risk to yourself. You must carry on you any medications that you may require. Please detail on the back of your race bib any notes regarding your condition in the event of an emergency. If you have any other special requirements, please email our Event Director at info@adventurethon.com.au with sufficient time before the event.

Environmental Policy

It is important to protect the environment we play in so that we, and our children, can continue to play there into the future. Weeds brought in from other areas have the potential to harm the natural balance of the area. **Ensure all gear and equipment is clean before arriving at the event**. You should also remember the same applies to your local areas so why not clean your gear before returning home as well?

Please do not drop litter around our courses. The tops off gel pouches are particularly problematic so please tuck them deep into your pockets/clothing/race vest along with all other rubbish so we don't have to collect them after the event.

Plastic

Adventurethon Australia has a policy on plastic, we aim to reduce, reuse and recycle. Adventurethon Australia is proud of the country we live in and are committed to keeping our environment as clean as possible. For this reason we ask you to please minimise the amount of plastic you bring with you as much as possible. We also ask that our athletes look at the positives of being green and support us by ensuring that no plastic is released into the environments surrounding our events.

Live Results

For love ones and friends who can't make it out to support, or want to know your results, live results (where possible) will be provided on this link:

<http://results.durt.com.au/events/advcv2021>

Photographs

If you have a loved one who wants to take photos we can arrange to put them in the best spots, just let us know. We try to get as many photos of competitors as possible so if any spectators take photos or videos that they are happy for us to use they can take them to Race HQ and we can copy them onto a computer (they will need to have photos on an SD card or have a USB cable for camera). Alternatively, email to admin@adventurethon.com.au. If you have a Go Pro or similar we would love to have some footage of the course. We welcome **drone pilots** at our events but please talk to the event organisers at race HQ before deploying your craft.

Social Media

Make sure you check out our social media pages. Since we are in a rural destination live updates will be harder than usual, though this doesn't stop you from adding your support to love ones and uploading photos to our wall. Media hits help attract sponsorship and funding to keep our events returning to your area so please be sure to include our hashtags when you post.

Before starting your race you **must check in with race HQ**. This is to ensure we know precisely how many competitors are on course. You can do this any time up to 5 mins prior to race start. If you haven't collected your **race pack** you must do this at least **30 mins before** the Stage briefing

Maps

The courses will be marked but it's a good idea to view the map to get an indication of how the route flows. Download maps [HERE](#), or view in Google Maps [HERE](#).

River crossings

There will be river crossings for all participants so be prepared. If you have items with you that need to be kept dry then it may be worth investing in a drybag that will fit into your race pack/vest. Click seal bags are also a useful, although less reliable, method of keeping your gear dry. Do not remove your shoes for river crossings as the risk of injury increases significantly when traversing rivers barefoot.

Weather Altered Courses

All events can be affected by weather and will be modified if management feels necessary. **Note:** The Ultra run may also be shortened to 18 km if the river crossings are deemed unsafe by race organisers or Park officials. Race organizers will inform all competitors with a briefing prior to the race of any course changes. We have the discretion to change things to protect the environment and competitors.

If you feel the weather conditions are beyond your abilities, you can change to an easier course by emailing registrations@adventurethon.com.au or see Race HQ.
