

## Adventurethon Enduro multisport course description

- Race briefing at Race HQ
- Run starts from Race HQ and flows along access and single tracks for ~5 km before arriving at the paddle start adjacent to the quarry (T1 – transition run to paddle).
- Paddle course (~6 km) circulates anticlockwise around a series of buoys before returning to T1 where athletes transition back to run.
- Run (~3 km) then proceeds around the access road below the dam spillway, up the stairs and down the access road to Race HQ and T2 (transition from run to bike).
- The bike leg (~15 km) then takes you back past the dam spillway and out into a series of access and single tracks before returning past the spillway, out the dam wall and back to Race HQ and Finish.

### Enduro run course

Run1 to T1 (paddle) approx 7.5 km  
Run2 to T2 (bike) approx 2.5 km

Start/Finish - T2 (run2 to bike)

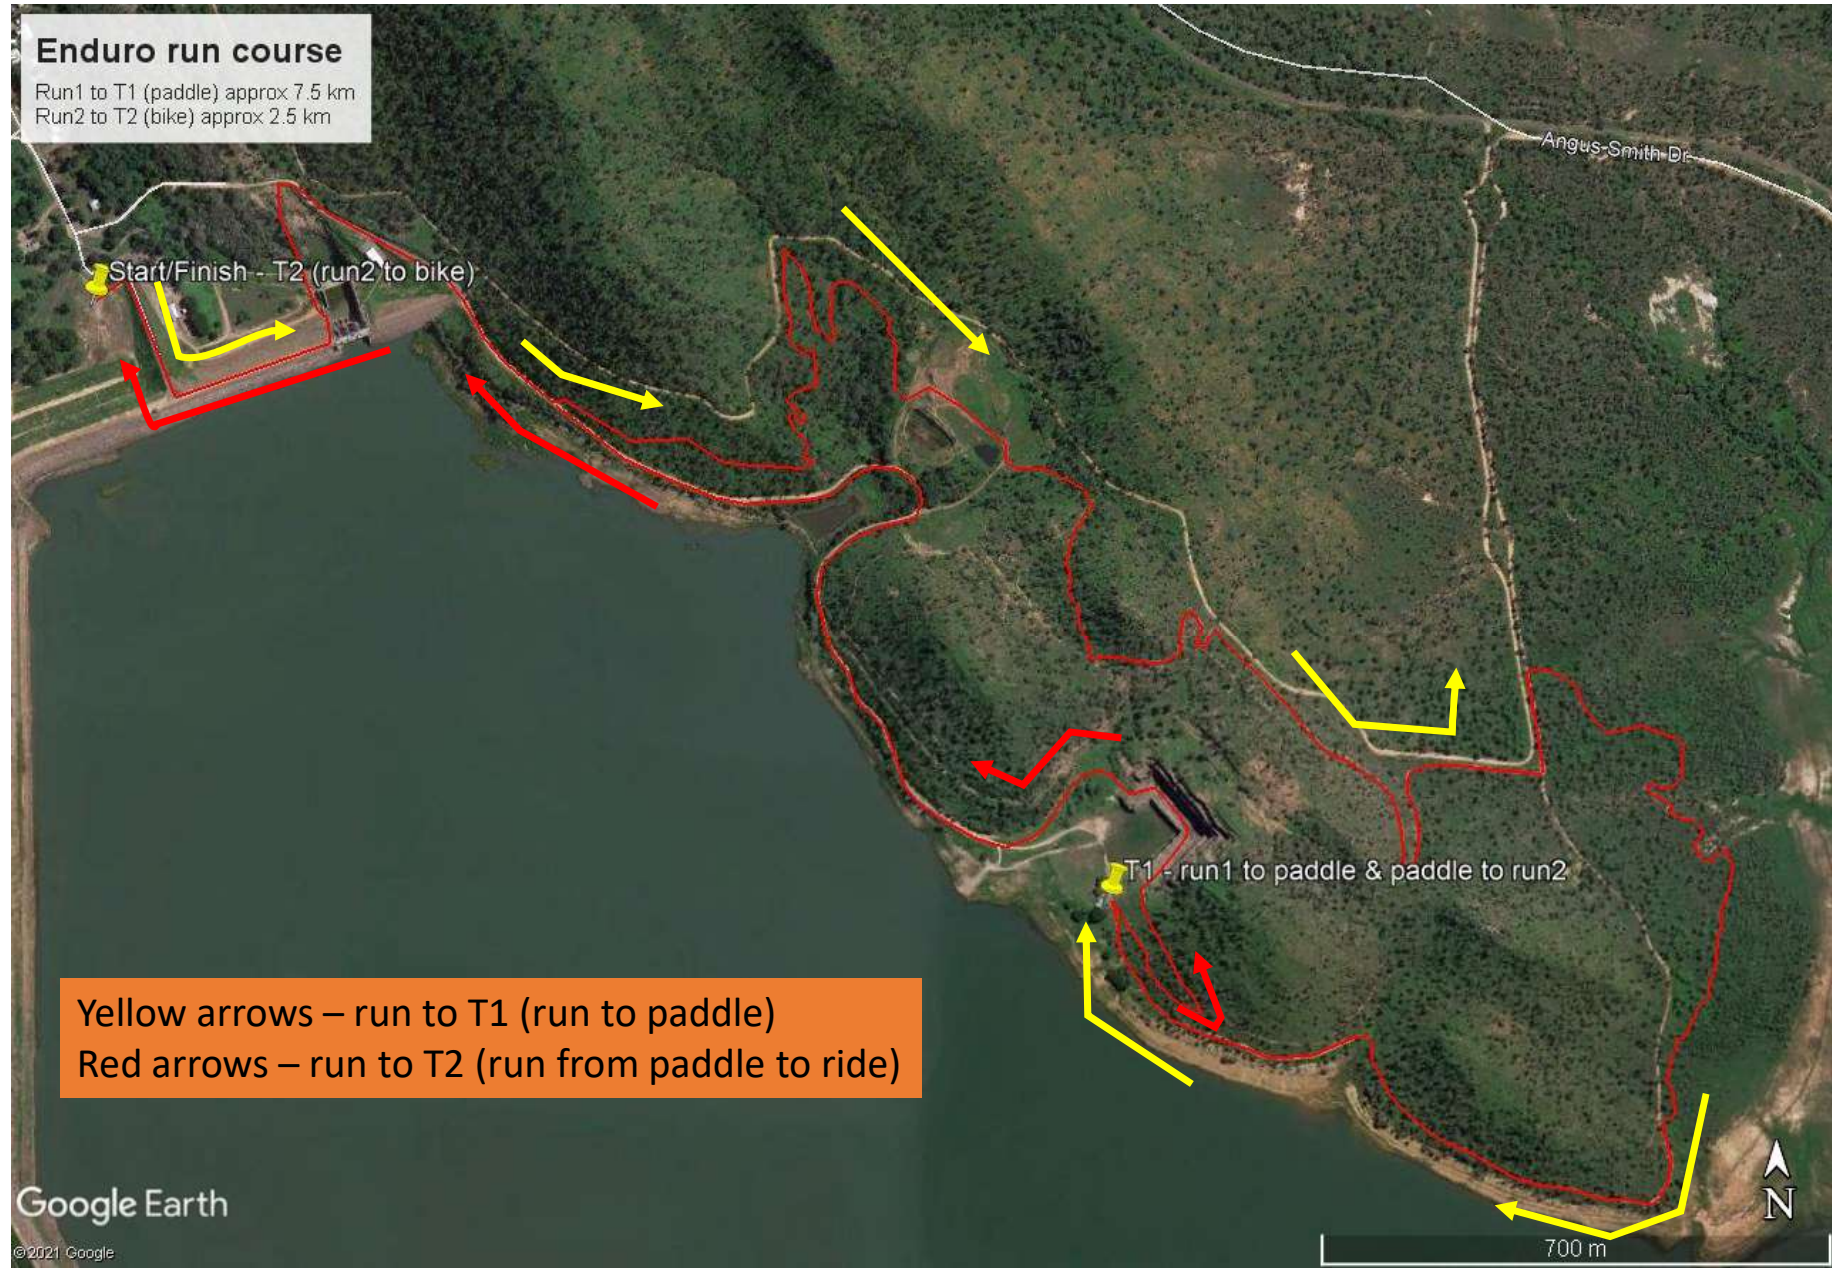

T1 - run1 to paddle & paddle to run2
